WHY CHOOSE OUR ACADEMY?

Software
Testing
Academy

Enrolling in our academy isn't just about signing up for courses; it's about embarking on a transformative journey that will shape your career and elevate your expertise to new heights. With a commitment to excellence and innovation, we've curated a diverse range of courses designed to meet the dynamic demands of the testing industry. Here's what makes our academy unique:

Flexibility and Accessibility: Learn from the comfort of your own space at your own pace with our full remote learning platform. Perfect for busy professionals balancing work and learning or eager learners craving flexibility.

Personalized Learning Paths: Choose from three immersive paths—Agile Learning, Automation, and Accessibility. Each path is tailored to address current and emerging labor market needs, ensuring you are industry-ready.

Multilingual Courses: We offer courses in English, Spanish, Portuguese, German, and Polish, ensuring you can learn in the language you're most comfortable with.

HOW TO GET STARTED

Software
Testing
Academy

REGISTER EASILY

Visit our website and click the “Register” button at the top right. Fill out the form and create your account to start your journey.

CHOOSE YOUR PATH

Once logged in, select the course that interests you most. Whether it’s Agile Testing to grasp the fundamentals, Automation Testing to delve into the technical aspects, or Accessibility Testing to understand inclusive practices, we have you covered.

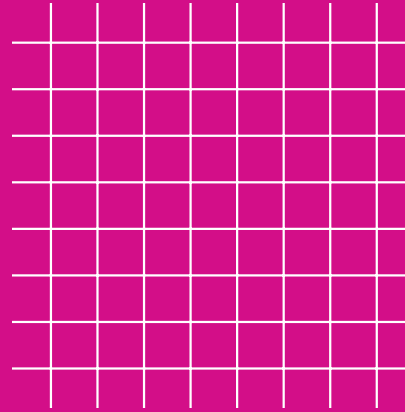

ENROLL AND LEARN

With a simple click on ‘Enroll’, you’ll be able to start your chosen course. Access all course information, instructional units, and additional resources to aid your learning journey.

BEYOND THE COURSES

INTERACTIVE DASHBOARD

Easily access your courses, grades, and more through your personal dashboard. Enroll in additional courses as you desire.

COACHING AND SUPPORT

Enhance your learning with the guidance of expert coaches. Request a coach through the "Contact With Coach" button on our platform or reach out via our "Contact Us" form.

COMMUNITY INTERACTION

Engage with other learners and experts through our dedicated forum, perfect for networking and sharing insights.
